* Increasing your community engagement as a steward for the Environment.

- Involvement in special events of the organization.

Cost: Membership fees are \$20 annually. Cash or Cheque. FPRW Receipts upon payment.

The more membership partners we have, the better we can achieve community sustainability and a healthy environment for existing and future residents. By working proactively with our membership, local government and community groups, the FPRW will bring positive changes to the Porcupine River region as we strive to develop a thriving lake and river system for our community.

Join us at our booth and become a member.

Ask questions about the FPRW Group, what we have already achieved and future projects.

About: The Friends of the Porcupine river Watershed is a not for profit (for public benefit) organization. The main goal is to offer public support and further enhancement to the Porcupine River Remedial Action Plan (RAP). These are actions recommended to restore the beneficial uses and to enhance the ecosystem of the Porcupine River Watershed which includes Porcupine River and Porcupine Lake.

The FPRW would like to thank you for your contribution through membership dues and also through the expertise you can provide the FPRW projects and the time you make available to serve on working groups, committees, future advisory councils of the FPRW, and the Board.

Thank you

Representing the FPRW
